

**Dogwood District Plant 4 Schools or Plant 4 Humanity
Grant Application for \$200 – District Funds**

Dogwood District has in its treasury nearly \$1000 to be used towards the Plant 4 Schools or Plant 4 Humanity projects. Most of the funds were raised at the 2004 Convention Silent Auction - thanks to the hard work of Linda Shulin who procured fantastic auction items. Other monies came from GCG's division of the Walk-A-Thon funds generated at the Deep South Convention. The point is... the money is here to help you landscape a local school or Habitat for Humanity house. .
